

**ST. PETER'S SCHOOL - MAZAGAON - MUMBAI - 10.**  
**CIRCULAR TO PARENTS OF CLASSES PREP TO X**

Dear Parents,

Trust you and your family are in good health with the Grace of God.

You are aware that the operation of the Schools was suspended with effect from 20<sup>TH</sup> March 2020, due to COVID-19 as per the direction of Government of India and the lockdown is still continuing.

The Government of Maharashtra has still not allowed all the Schools to function as per the regular routine.

Schools have taken extraordinary steps to impart online education. Our Teachers have done a commendable job in preparing educational aids such as Videos, power point presentations and Worksheets and all these valuable teaching aids have been uploaded through integrated software, whereby our children can access these in the safety of their homes.

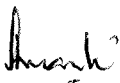

There is a misconception in the minds of Parents that the State Government has banned online classes for Pre-Primary and standards I and 2 and regulated the timings of online classes for standards 3 to 10, vide their GR dated 15-06-2020. It may be noted that this GR is not a Government Order, but only a guideline and advisory circulated.

Further the Parents may note that we have taken extensive steps to impart online education to avoid loss of education and engage the children in educational learning so that your children are also engaged at home in productive learning activity, needless to say that the school shall stand strong in performing its most noble task, which is enhancing and enriching the minds of our students with constructive learning to maintain the sanctity of the education profession at large..

The online classes have already restarted with effect from 8<sup>th</sup> June, 2020.

Parents are thus advised to make the payment of outstanding fees for the year 2019-2020 and for the current academic year 2020-2021. Kindly do keep in mind the factor that as a school, we too have to make salary payment to our Staff and to meet fixed expenses.

Thank you for your continuous support.
