CISCE School Code : MA017

Dear Parents,

At the outset we hope and pray that this mail finds you and your family in the best of health. We are facing a very distressing and challenging time which calls for unity and understanding.

We thank the large number of parents who have shown their continued support and have paid the fees to help us meet our financial obligations.

We are aware that getting used to the new normal, with the established routines getting into complete disarray, hasn't been easy at all. We appreciate that you have considered us as part of your family and shared your concerns with us.

We request parents to stick to the payment schedule so as to help us in our financial commitments to all our other stakeholders' i.e. permanent staff who are the backbone of the school who have to be paid regularly including "Annual Maintenance Contracts", to keep the school and various equipment functional as before. It is requested that parents clear all dues of their child/children by 31<sup>st</sup> August, 2020, failing which the school will have to resort to imposing a penalty again.

Let us all work together so that the journey ahead of us is spent in a meaningful and constructive manner and allows the School team to focus on further enhancing innovative and effective learning. In case you haven't paid the fees yet for the academic year 2020-21, we request you to make the payment at the earliest or connect with us immediately as stated above. We look forward to your understanding in this matter and assure you that we are ready to help all those who require our help, individually.

Stay Blessed and Stay Safe.

Thanks and Regards
